

Swiss precision for excellent audio quality

VOICE TECHNOLOGIES

Simple design. Big in sound.

Designed to fit any head contour and to free performers to focus on their performance! Perfect for stage, broadcast, public address and presenters.

Its Omni pattern is less prone to "popping" and wind noise and excels with clear and natural voice reproduction. A perspiration drip ring on the gooseneck ensures the microphone capsule stays dry at all times.

The VT700 is a very comfortable, lightweight and unobtrusive headworn. The flexible gooseneck enables the user to position the microphone for optimum sound and gain before feedback. The cable runs neatly behind the neck for maximum concealment.

Colors: beige

Application area: Presentations - Theatre - Broadcast-Studio

The VT700 comes in an elegant black case with the following accessories:

	STRAP	Colors: beige or black
	WS400/700	Windscreens (OPTIONAL) Colors: beige or black
	Case4	Size: 190x210x100mm
